

Biosecurity Rules

1. Before your visit

- Inform us if you have visited another farm or fish/shrimp facility in the past 48 hours.
- If you feel unwell, please reschedule your visit.

2. Clothing & hygiene

- Wear clean clothing and footwear that have not been used in another farm.
- If necessary, we will provide boots and/or overalls.
- Hand and footwear disinfection is mandatory upon entry, in the hygiene sluice.

3. During the visit

- Do not touch any animals, water, or equipment without permission.
- Always follow the instructions of our staff.
- Photos and videos are only allowed with prior permission.

4. Registration

- Upon arrival, please complete the visitor logbook (name, e-mail, date, origin, etc.).
